OUR HR CONSULTING SERVICES

Effective HR management is the backbone of every successful organization. At Professional Resources Solutions (PRS), we specialize in providing comprehensive HR consulting services that transform human capital into a strategic advantage. From designing HR functions to ensuring compliance with Saudi labor laws, our consulting solutions are tailored to meet your organization's unique needs while supporting Saudi Vision 2030 objectives.

Building Strong HR Foundations

HR Function Establishment

We build HR departments from the ground up, designing structures, policies, and workflows that ensure smooth operations, legal compliance, and alignment with organizational goals, creating a foundation for sustainable workforce management and business growth.

Saudization Compliance

PRS provides expert support to achieve Saudization targets, helping organizations recruit, develop, and retain Saudi nationals. We simplify compliance with regulations, reduce penalties, and maximize opportunities, aligning workforce strategies with Vision 2030 goals.

Payroll & Benefits Management

We manage payroll and benefits with precision, ensuring timely salaries, accurate calculations, and compliance. Our tailored benefits programs boost employee satisfaction, loyalty, and retention while providing organizations with cost-effective, compliant, and compensation frameworks.

Advisory on Saudi Labor Laws

Our consultants offer expert guidance on Saudi labor laws, helping organizations remain compliant while minimizing risks. We provide practical advice to handle contracts, disputes, and employment practices, safeguarding organizational reputation and ensuring legal peace of mind.

HR POLICIES AND PROCEDURES

Effective HR policies and procedures form the backbone of every successful organization. They ensure clarity, consistency, and compliance in managing employees, fostering a structured work environment that supports growth and efficiency. At Professional Resources Solutions (PRS), we specialize in designing and implementing policies that align with Saudi labor laws, & organizational goals.

Insight Review

1 Organizational Assessment

We assess HR practices, legal requirements, & organizational challenges to identify gaps, risks, & improvement opportunities, forming a strong foundation for policy development.

Policy Creation

2 Policy Drafting & Customization

We craft practical, & fully tailored HR policies aligned with your organizational structure, and industry demands to ensure relevance, consistency, & operational efficiency.

Legal Alignment

3 Compliance Assurance

Every policy is aligned with Saudi Labor Law, GOSI rules, and Saudization requirements to minimize legal risks and maintain strong regulatory compliance across all HR practices.

Guided Adoption

4 Smooth Implementation

We provide training, handbooks, and support to ensure policies are communicated effectively, understood clearly, and adopted seamlessly throughout the organization for long-term operational success.

PAYROLL AND COMPENSATION

PRS delivers structured payroll and compensation solutions that ensure accuracy, fairness, and full compliance with Saudi labor regulations.

Our services enhance employee motivation, support cost efficiency, reduce organizational risks, and strengthen overall workforce performance through reliable, transparent, & reward systems.

A Compensation Plan

We design compensation structures—including salaries, incentives, and allowances—to help organizations attract strong talent, retain skilled employees, and maintain long-term competitiveness in evolving markets.

B Payroll Compliance

PRS manages complete payroll operations with accuracy and confidentiality, ensuring compliant salary processing, timely reporting, reduced administrative errors, and full adherence to Saudi labor and tax regulations.

C Benefits Design

We create employee benefits packages, including insurance, allowances, and retirement options, enhancing job satisfaction, improving retention, and supporting long-term workforce stability and organizational growth.

TRAINING & DEVELOPMENT

An organization's greatest strength lies in its people. At Professional Resources Solutions (PRS), we believe continuous learning is the foundation of organizational success. Our Training & Development services focus on equipping employees and leaders with the skills, mindset, and knowledge needed to thrive in a rapidly evolving business landscape. From technical skills to leadership excellence, we design impactful programs that align with your company's culture, goals, and future growth.

Talent Leadership

Growth Training

We design and deliver customized programs that nurture future leaders, improve decision-making, and build essential business skills, ensuring employees are fully prepared to meet current challenges and drive long-term organizational success.

Corporate Training

Workplace Learning

PRS provides tailored in-house training workshops covering technical, managerial, and soft skills. Delivered at your workplace, these programs enhance employee capabilities, productivity, and collaboration while reducing the cost and time of external training.

Professional Training

Skill Enhancement

Our expert coaches work closely with managers and staff to develop professional skills, improve communication, strengthen leadership abilities, and drive performance excellence through structured, practical, and goal-oriented coaching sessions.

TALENT MANAGEMENT

At Professional Resources Solutions (PRS), we believe talent acquisition is only the first step; true success comes from developing and retaining that talent. Our Talent Management services build engaged, high-performing employees through structured onboarding, effective performance management, and retention-driven strategies. We ensure your workforce stays aligned, & consistently contributes to organizational goals.

Onboarding Programs

We develop structured onboarding frameworks that help new hires integrate quickly, understand company culture, and perform effectively. Our approach enhances employee engagement, reduces turnover, and accelerates productivity during the critical first months.

Performance Management

PRS designs and implements performance management systems that align employee goals with business strategy. Through clear KPIs, and feedback mechanisms, we foster accountability, motivation, and continuous improvement across all levels of the workforce.

Retention Strategies

We help organizations build retention plans focusing on career development, recognition, and employee engagement. By addressing turnover risks, we strengthen loyalty, improve workforce stability, and create long-term value for both employees and businesses.

EMPLOYEE ONBOARDING AND RECORDING

Employee Onboarding and Recording Services refer to the structured process of integrating new employees into an organization while ensuring that all required documentation, data, and compliance procedures are accurately completed and securely maintained. These services support both HR operations and regulatory adherence, helping companies streamline the transition of new hires into productive team members.

Key Components

1. Documentation & Data Collection

Collection and verification of all necessary employee information, including identification documents, educational certificates, employment contracts, bank details, and regulatory forms.

2. Employment Contract & Policy Acknowledgment

Preparation, issuance, and signing of employment contracts, along with ensuring that new hires review and acknowledge company policies, procedures, and code of conduct.

3. Compliance & Legal Requirements: Entering employee data into HR, payroll, and attendance systems to create official employee profiles & ensure accurate tracking of employment records.

4. Compliance & Legal Requirements: Ensuring that onboarding meets local labor law requirements, including social insurance registration (e.g., GOSI), medical insurance enrollment, visa processing (if applicable), & background verification.

5. Introduction to Workplace & Culture: Facilitating orientation sessions, introducing employees to company values, structure, and expectations, and coordinating with departments for job-specific training or onboarding plans.

6. Coordination With Payroll & Finance: Ensuring all financial details are accurately recorded for timely payroll initiation, benefits enrollment, and allowances setup.

Purpose & Benefits

- Ensures a smooth transition for new employees
- Enhances employee engagement and retention
- Improves HR accuracy, compliance, and documentation quality
- Enables fast integration into teams and work environments
- Reduces administrative errors through standardized processes

VISA & IMMIGRATION (GR SERVICES)

PRS delivers reliable visa and immigration solutions, handling applications, renewals, and compliance with Saudi regulations. We simplify complex GR processes, prevent delays and penalties, and ensure smooth employee onboarding so businesses can focus on growth while we manage all requirements.

Employee Visa Processing

We manage the complete visa process, including documentation, submissions, approvals, and employee onboarding, ensuring error-free applications, reduced processing delays, and smooth relocation experiences for both Saudi and expatriate employees.

Work Permits & Renewals

PRS handles issuance and timely renewal of work permits, residence permits (Iqama), and related authorizations, ensuring employees remain compliant, minimizing disruptions, and supporting uninterrupted workforce productivity across all business functions.

MOHRSD Compliance

We ensure full alignment with Saudi Ministry of Human Resources and Social Development regulations, helping businesses meet Saudization requirements, avoid fines, and maintain seamless government compliance in all employee-related matters.
